Directions

By car

HMRC Stocklund House is situated in Carlisle city centre on Castle Street opposite the Cathedral.

There is no on-site parking available at this venue so if travelling by car follow the signs to the city centre car parks before continuing on foot to Stocklund House.

Leave M6 at Junction 43, travel up Warwick Road and turn right at a church (traffic lights and filter lane to the right). Follow the road round, passed a school on your right, until you get to traffic lights at the end of the road. Stay in the left-hand lane but turn right into Georgian Way. Turn left at the next big roundabout. Take your first left turn off the dual carriageway (only approximately 50 yards or so) before you get to the castle. Travel up West Tower Street.

Take the first turning right, travel up the street and follow the road round to the right into Fisher Street. Turn immediately left into the car park (having rung ahead for your allocated car space). Please note the front entrance to Stocklund House is on Castle Street - immediately opposite the Cathedral.
