

Directions

Directions by Rail: When you leave Coventry station you will be in Station Square. Turn right into Park Road. Walk for approximately 70 metres, then turn left into Manor Road. Keep on the right-hand side of Manor Road for approximately 100 metres and you will see a footbridge over the Ring Road. Cross over the footbridge and Sherbourne House is situated on the left. Climb the steps and use the reception entrance at the front of the building. You should report to the Enquiry Centre reception area which is situated through the doors on the left-hand side.

Directions By Car: Head for the Ring Road (A4053) that skirts the city centre. Driving "**clock-wise**" on the Ring Road, head for Junction 6 (All exit gantries are numbered). Coming off at Junction 6, go **all** the way around the roundabout at the top of the slip road and head for the slip road back down from the direction you have just come. Take the first turning on the left at the beginning of the slip road (do not drive fast as it's easy to miss this turning!). You are now in Manor House Drive and Sherbourne House is the first building on the right.
