## Directions

### By Car - From the North or South:

You will need to exit at Junction 30. This goes onto a large roundabout controlled by lights. When you reach the traffic lights follow the signs for Middlemoor. This is also the exit route for the Moto Services.

Follow the road toward the city centre via Sidmouth Road, Honiton Road, East Wonford Hill, Fore Street in Heavitree, until you enter Heavitree Road. At the bottom of Heavitree Road is a roundabout. Take the second exit into Paris Street. Continue through the next 3 sets of traffic lights (you will pass the Debenhams Building on your right hand side between second and third set) into New North Road. Proceed for a further 200 metres (approximately) and Longbrook House is situated on the corner of the next road on the right hand side called Longbrook Terrace. There is a large public car park at the rear of the building. It can be reached by turning right into Longbrook Terrace and following the road round to the left at the bottom.

**From North Devon via Tiverton or Crediton:** You will arrive on the outskirts of Exeter at Cowley Bridge. Follow the road towards the City Centre for about 3 miles until you arrive at the clock tower roundabout. Take the second exit. However, beware that the first exit turns sharp left and you may not notice it as an exit road. Proceed along this road past the Exeter Prison, which is an Old Victorian building on your left-hand side. At the next (mini) roundabout, turn left into Howell Road then take the first right turn (signed car park).

**From the East via the A30:** As you approach the end of the A30, you will be given a choice of exits. Take the road towards the City Centre. At the next roundabout take the second exit, and get into the lane for the City Centre. Continue on this road until you reach the next roundabout then take the second exit. At the next set of traffic lights, turn right into Honiton Road.

\*\* Follow the directions above.

**From the West:** Follow A30 until Junction 31 of the M5. Follow signs to Exeter and exit at Junction 30 then follow the instructions by Car from the North or South.
