Follow this dual carriageway; continue forward heading at all roundabouts/junctions for the city centre. Landmarks to know you're heading in the right direction - you will pass on the right hand side a McDonalds, a Ford Dealership and a Transco depot. A bridge will take you over the railway line, at the traffic lights after this bridge; there is Lidl store on the left. Continue forward until you come to traffic lights where Southgate House is on the right hand side. At this junction you cannot turn right into Parliament Street, you need to follow the road to the left at the traffic lights, but immediately get into the right hand lane and drive around the island of buildings - follow the road round to the right until you get to the traffic lights. Turn immediately left at these lights into Parliament Street. As the building is not solely occupied by Revenue & Customs, you will need to sign at the front desk with Security.
