

Venue Address

HMRC Medvale House
Mote Road
Maidstone
Kent
ME15 6AE

No onsite parking – use local car parks

The Venue

Directions

By Train: Trains leave Victoria and Charing Cross for Maidstone East every half hour at peak times (hourly off peak). The office is a 10 minute walk from the station. Turn right out of the station and walk along Week Street, past all the shops. Cross over the High Street and walk down a small road, directly opposite, called Gariels Hill. At the bottom, continue straight ahead up Lower Stone Street. The second turning on the left is Mote Road, and the office is 50 yards up on the left.

By Car:

From the North [Sittingbourne]: Travel south on the A249, over the M2 and the M20, and continue towards Maidstone town centre (at roundabouts, follow the A249 Sittingbourne Road). After a straight, gentle downhill section, you reach a large roundabout. Get in the right-hand lane and follow signs for the Chequers Centre (3rd exit off Wat Tyler Way). Take the first turning right (you'll see Sainsbury's on your right) into Romney Place. The Chequers Centre multi-storey is 50 yards further on from Sainsbury's. Please do not park at Sainsbury's/

From the East: Drive towards London on the M2. Take the A249 at Junction 5 and head towards Maidstone, past the M20. At roundabouts follow the A249 Sittingbourne Road. After a straight, gentle downhill section, you reach a large roundabout. Get in the right-hand lane and follow signs for the Chequers Centre (3rd exit off Wat Tyler Way). Take the first turning right (you'll see Sainsbury's on your right) into Romney Place. The Chequers Centre multi-storey is 50 yards further on.

From the South: The A20, A26, A229 and A274 all head towards Maidstone. Our one-way systems and busy traffic can make navigation difficult once you're in the centre of town. Look for the Chequers Centre multi-storey car park, or signs to Mote Park. The first two are opposite the back of our office. The Park is just a few roads away.
