Directions

Travelling By car

Take M4 Junction 42 and head for Swansea, travelling along Fabian Way dual carriageway for about five miles. After crossing the river Tawe bridge (Sainsbury's is on the left) take the right hand lane at roundabout, and proceed right into Wind Street. Follow road through the mini roundabout and traffic lights (past Argos) and proceed straight on for about 500 metres, where you will see main railway station and Ty Nant (red brick) to your right.

Travelling by Public Transport

Swansea Central Station is situated next door to Ty Nant, a fifty metre walk. The main bus terminus is situated in the Quadrant shopping area, and is approximately half a mile of fairly hard walking distance to Ty Nant. Most of the local bus routes from main terminus actually pass the railway station and Ty Nant

Situated behind High Street Railway Station there is a multi storey car park at the front of the station which is less than five minutes walk away from the office.
