

Venue Address

HMRC Wiltshire Court
Farnsby Street
Swindon
SN1 5AN

The Venue

No onsite visitor parking,
use local public car parks.

Directions

By Train: As you leave the front entrance of the Railway Station there are a taxi rank and some bus stops. There is a main road just past this, as you look straight ahead. Cross the main road and take the road ahead. The Queens Tap public house is on the corner. Stay on the right hand side of the road. There is a light controlled pedestrian crossing a matter of a few yards ahead of you. Cross here. Follow the signs for Swindon Town centre. You will effectively bear slightly to your right and go under a pedestrian bridge beneath one of the Allied Dunbar buildings.

There is a building immediately in front of you. Bear to the right of this and you will come out into an open paved area. The Post Office is immediately ahead of you and there is a road, at a higher level, to your right. Bear to your right and follow the subway under this road. You are now coming into the town centre. If you look to your left as you emerge from this short tunnel you will see Debenhams and Tesco's on your left-hand side. Walk straight ahead of you – do not go off to your left through the alleyway beside Tesco – continue until you reach a pedestrian crossroads (This is only a matter of yards). BHS will be on your right hand side. You are now in the town centre. Continue straight ahead – there is a stone lion on your right hand side as you cross the crossing – until you come to McDonald's on your left-hand side and House of Fraser on your right. Looking straight ahead you will see a multi-storey car park. Take the underpass down under this building. From the underpass take the first turning out on your left-hand side. This footpath will bring you up the side of the office back onto the main road. As you reach the top of the path turn right. The entrance to the office is then immediately on your left.

By car, from the M4:

Leave the motorway at Junction 16 and follow signs to Town Centre. When you reach the large roundabout with traffic lights take the third exit (Wootton Bassett Road). You will drive under a bridge and then see a recreation ground on your left. At the mini roundabout take the left turning (Westcott Place). At the next mini roundabout, take second exit (Faringdon Road). When you approach the large set of traffic lights turn right into Farnsby Street. There is a multi-storey car park opposite the office, which is a red brick building at the end of this road.
