Directions

By Train

There are direct services to Durrington-On-Sea from London Victoria, Brighton and Portsmouth. Be careful to follow the rail operator's guidance, as some trains divide en route. (Durrington-On-Sea is the second stop after Worthing Central Station, from Brighton/London direction). Leave the station by the gate on the south platform, near the footbridge and follow the footpath. Walk to the end of the footpath and turn right. (**Do not use the gate that is halfway along the path** – that only allows access for site staff and callers to the Enquiry Centre.) At the end of the path, turn right again to access the main entrance. (**You will see signs for CapGemini and Fujitsu but the HMRC sign has been removed for repair. You are in the right place!**) Walk past the Security Gatehouse that is in front of you, then across the visitor parking area just ahead to East/West Entrance (the turquoise coloured doors). Report to reception on your right just inside the entrance, from where you will be collected and taken to the room where the workshop is being held.

By Car, From London and the North: - The A24 is the main route to Worthing. From the M25 leave at junction 9 from the Leatherhead exit. Then follow the instructions below.

From the East & West: - Use the A27 (Folkestone to Honiton Trunk Road).

From the roundabout at the junction of the A24 & A27 (the first roundabout you come to from either north or west):

Take the southerly exit signposted 'West Worthing' (Offington Lane, A2031) towards the Thomas a Beckett crossroads. At the traffic lights turn right into Littlehampton Road (A2032), and at the first roundabout turn left into the Boulevard. Continue south past the 2 roundabouts and cross the railway bridge. (Lloyds TSB building will be on your right). Take the right hand filter into Barrington Road.

Using Sat Nav: If you are using a sat nav device, it is better to **put in your destination as the Worthing Leisure Centre, Shaftesbury Avenue, BN12 4ET** as the turn into Barrington Road is opposite the Centre. If you use the HMRC site postcode, your sat nav will take you to the west end of Barrington Road & there is no direct access by car from there to the HMRC site.

Visitor Parking

Enter the HMRC site by the last entrance on the right in Barrington Road (**when you turn in the only signs you will see are for CapGemini & Fujitsu (our IT partners) but you are in the right place!**), and report to the Security Gatehouse for directions to a parking bay. Once you have parked, you need to head across to the East/West Entrance (the turquoise coloured doors). Report to reception on your right just inside the entrance, from where you will be collected and taken to the room where the workshop is being held.

Important Information about this Venue

HMRC Worthing (Barrington Road) fully complies with the access requirements of the Equality Act 2010.
