

# **Child Trust Fund (CTF) Bulletin 1 – Local Authorities**

**9 October 2007**

This bulletin tells you about:

- Why we are writing to you
- Contact details – Local Authorities
- Contact details – HM Revenue & Customs

## **Why we are writing to you**

We want to improve the way we communicate information about the Child Trust Fund (CTF) to Local Authorities. One of the ways we plan to do this is to issue bulletins containing information about issues that we think are important or relevant. These bulletins will be published on our website, we will tell you the website address in a future bulletin.

We are also happy for you to make suggestions about subjects that you would like to see covered in these bulletins.

## **Contact details – Local Authorities**

You are the only person in your organisation who has been sent a copy of this bulletin, please tell us if you are not the appropriate person to read it. If you have colleagues – up to a maximum of three per organisation - who would also like to receive a copy, please send their contact details to [Dave Johnson](#).

## **Contact details – HM Revenue & Customs**

In future, these bulletins will not show contact details. Instead, the email sending the bulletin will contain the contact details. We are doing this to try and reduce the number of inappropriate contacts to our technical helplines.

Further information about the Child Trust Fund is available on our website.
