

**1 Research institution spin-out companies [j209]**

- (1) In Part 7 of ITEPA 2003 (employment income: income and exemptions relating to securities), after Chapter 4 insert –

**“CHAPTER 4A****SHARES IN RESEARCH INSTITUTION SPIN-OUT COMPANIES***Introduction***451 Application of this Chapter**

- (1) This Chapter applies where –
- (a) an agreement is made for one or more transfers of intellectual property (an “intellectual property agreement”) from one or more research institutions to a company (a “spin-out company”),
  - (b) a person acquires shares (or an interest in shares) in the spin-out company before the intellectual property agreement is made or within the period of 183 days beginning with the date on which it is made,
  - (c) the right or opportunity to acquire the shares (or interest in shares) was available by reason of employment by the research institution (or any of them) or by the spin-out company, and
  - (d) the person is involved in research in relation to any of the intellectual property that is the subject of the intellectual property agreement.
- (2) But this Chapter does not apply if the avoidance of tax or national insurance is the main purpose (or one of the main purposes) of the arrangements under which the right or opportunity to acquire the shares (or interest in shares) is made available.

*Tax relief on acquisition***452 Market value on acquisition**

- (1) For the relevant tax purposes the market value of the shares (or interest in shares) at the time of the acquisition is to be calculated disregarding the effect on that market value of the intellectual property agreement and any transfer of intellectual property pursuant to it.
- (2) For the purposes of subsection (1) “the relevant tax purposes” are –
- (a) determining any amount that is to constitute earnings from the employment under Chapter 1 of Part 3 (earnings),
  - (b) determining the amount of any gain realised on the occurrence of an event that is a chargeable event by virtue of section 439(3)(a) (conversion),
  - (c) operating Chapter 3C of this Part (acquisition of securities for less than market value), and
  - (d) determining any amount that counts as employment income of the employee under Chapter 5 of this Part (securities acquired pursuant to securities option).

*Tax relief following acquisition***453 Taxable amount under Chapter 4**

- (1) If the shares are (or interest in shares is) acquired before the intellectual property agreement is made, or before any transfer of intellectual property pursuant to it, and any benefit deriving from the intellectual property agreement or any such transfer is received by the employee in connection with the shares (or interest in shares), the taxable amount determined under section 448 (post-acquisition benefits from securities: amount of charge) is to be treated as nil.
- (2) But this section does not apply if something which affects the shares (or interest in shares) has been done (at or before the time when the intellectual property agreement is made or intellectual property is transferred) as part of a scheme or arrangement the main purpose (or one of the main purposes) of which is the avoidance of tax or national insurance contributions.

*Disapplication of Chapters 2 and 3B***454 Deemed election for disapplication of Chapter 2**

- (1) If the shares are restricted securities (or the interest in shares is a restricted interest in securities), the employer and the employee are to be treated as making an election under section 431(1) (election for disapplication of Chapter 2) in relation to the shares (or interest in shares).
- (2) But the employer and the employee may agree that subsection (1) is not to apply in relation to the shares (or interest in shares).
- (3) An agreement under subsection (2) is irrevocable and –
  - (a) must be made in a form approved by the Board of the Inland Revenue, and
  - (b) may not be made more than 14 days after the acquisition.
- (4) If the employer and the employee make an agreement under subsection (2) in relation to the shares (or interest in shares), subsection (5) applies for the purposes of determining the taxable amount for the purposes of section 426 (charge on occurrence of chargeable event) on the occurrence on any chargeable event in relation to the shares (or interest in shares).
- (5) In determining under section 428(3) (amount of charge) what would have been the market value of the shares (or interest in shares) at the time of the acquisition but for any restrictions (IUMV), that market value is to be calculated disregarding the effect on that market value of the intellectual property agreement and any transfer of intellectual property pursuant to it.

**455 Disapplication of Chapter 3B**

For the purposes of Chapter 3B (securities with artificially enhanced market value) neither the intellectual property agreement nor any transfer of intellectual property pursuant to it are things done otherwise than for genuine commercial purposes.
