## **PENSIONER PAYROLL STANDARD – LIST OF ACCREDITED PRODUCTS AND SUPPLIERS**

The HM Revenue & Customs (HMRC) Pensioner Payroll Standard Accreditation logo is awarded to pension payroll software products or services that satisfy the requirements of the [Pensioner Payroll Standard](#). Accredited software products or services are listed below and Appendix A has a high level summary of the Pensioner Payroll Standard requirements.

The version number shown in the table is the one tested by HMRC Payroll Support Team. Subsequent versions issued during the accreditation period can still use the Payroll Standard logo but it is the responsibility of the software developer to ensure it fully meets the Payroll Standard.

Electronic Data Interchange (EDI) enabled suppliers are identified with '(EDI)' after their title in the list below:
