Return by participator

Under the provisions of Paragraph 2, Schedule 2 Oil Taxation Act 1975, you are required to complete this form and deliver it to me within two months after the end of the chargeable period. The Act also provides penalties for failure to deliver the return within the statutory period (Paragraph 3, Schedule 2) or the delivery, either carelessly or deliberately, of an incorrect return (Schedule 24 Finance Act 2007 as amended by schedule 40 Finance Act 2008).

The form, including the schedule sheets attached, must contain a complete account of **all** oil, as defined in Section 1(1) of the Act, (that is all substances won other than methane gas won in the course of operations for making and keeping mines safe) which is or was included in your share of any oil won from the field. If appropriate, include information about oil won in an earlier chargeable period.

Throughout this form statutory references are to the Oil Taxation Act (OTA) 1975, unless otherwise stated.

The PRT Forms Completion Guide gives guidance on the completion of this form. If you need any further information please contact this office.
