Contractor's monthly return for period ending 99/99/9999

We have received your Contractor's monthly return for the above period.

There are no amounts entered on the monthly return and you have not filled in the nil declaration box on page 4. Although we have treated this as a nil return, please make sure that future returns are filled in correctly.

You also ticked the box indicating that you will not be paying any subcontractors for the foreseeable future. Unfortunately we were unable to stop the issue of your Contractor's monthly return for the period ending 99/99/9999 from being produced and sent to you.

Please do not send this return to us unless you have payments or deductions to report. We have suspended the issue of any further returns for a period of six months. It is your responsibility to let us know at once if you make any payments to subcontractors during this period.
