We have received your Contractor's monthly return for the above period.

There are no amounts entered on the monthly return and you have not filled in the nil declaration box on page 4. Although we have treated this as a nil return, please make sure that future returns are filled in correctly.

You also ticked the box on page 4 indicating that you will not be paying any subcontractors for the foreseeable future. We would normally suspend issue of any further monthly returns for a period of six months.

Before we can treat you as inactive, please phone the CIS Helpline immediately in order to clarify the correct inactivity periods you require.
