EU VAT REGISTRATION

COMPANY REGISTRATION NUMBER:

Under European Directive 2006/112/EC of 28 November 2006 on the common system of value added tax (VAT) and in accordance with tax legislation in force in United Kingdom, your company established in 10-2011 is from now on subject to VAT.

In your capacity as legal representative, you are the sole person authorised to register your company on the Intracom VAT Registry.

Registration of your company and payment of fixed fees for £320.00 can only be performed on line by credit card. This is the only procedure available to activate your registration on the Intracom VAT Registry.

To proceed with registration, please go to the following Web address **<http://vat.euin.eu>** and enter your confidential access code.
