2003-04	145,556	115,660	4,712	-	265,928	54.7
2004-05	158,975	120,915	4,751	-	284,641	55.9

Table updated April 2005

(1) The figures exclude national insurance contribution receipts which are paid directly into the National Insurance Fund.

(2) Net of Working Families' Tax Credit and other tax credits.

(3) The total is calculated as the sum of the duties shown in this table and excludes some smaller sources of revenue.

(4) Includes £34 million in respect of excise duties which were administered by Customs & Excise in later years.
