

Your
Working Tax Credit
won't change.

But the way you
receive it will.

Working Tax Credit

Where you
see it now.

Between November 2005 and 31 March 2006 the way your Working Tax Credit is paid will change. Instead of receiving it with your pay it will be paid directly into your bank, building society or Post Office card account. You don't have to do anything right now and

we'll be sending you a letter nearer the time explaining everything in more detail. You'll also receive a letter or email from your employer. And remember, you won't lose any Working Tax Credit as a result of the change, you just won't see it on your payslip.

Where you'll
see it soon.
